

Milk Purchase Program

The Food Bank of South Central Michigan is excited to announce our new Milk Purchase Program. The Milk Purchase Program (MPP) allows for any Partner Agency to order fresh milk through the Food Bank of South Central Michigan for .19 cents per pound (\$1.52 per gallon). Milk will be supplied by our community partner Mooville.

“Milk Purchase Program” Fun Facts

- Whole, 2% and Skim milk will be available to purchase in gallon size only.
 - 5 gallon minimum order: no maximum
- Milk can be picked up as often as once a week with a scheduled appointment
- Agencies must pick the milk up directly from the Food bank. Milk will not be included on tailgate orders at this time.

Milk Ordering Process

Step 1

- Determine amount of gallons, type of milk (Whole, 2% or Skim) & frequency of pick up that will work best for your agency.
- Orders are due by 5pm Wednesday for pick up the following week (Wednesday or later).

Step 2

- Agencies must call the Food Bank at # 269-964-3663 to place their milk orders. Milk will not be available online to order at this time.
- Appointments will be scheduled on the Agency Pick-up calendar according to appointment availability.

Step 3

- Agencies will be billed for the milk order that is placed. Please plan on picking up your entire order at your scheduled appointment time.
- Check to make sure the vehicle picking up your agency order is equip to transport unsecured gallons of milk.

Questions?? Please contact the Agency Relations Team at # 269-964-3663
